OMV Group

Key Memberships

OMV is an active member of and holds leadership positions in numerous national, regional, European, and international associations and organizations. Industry associations, consortia, and organizations play an important role in developing and implementing industry standards and best practices in areas such as safety, environmental protection, and social responsibility. They also provide a valuable platform for engagement with governments, regulators, and communities on topics such as energy, climate action, circular economy, and trade. OMV participates in industry associations and consortia to support our understanding of issues, share knowledge, help develop standards, and provide input to regulatory authorities on behalf of the sector.
