

This Report does not constitute or form part of an offer to issue or sell, or of a solicitation of an offer to subscribe or buy, any securities or other financial instruments, nor does it constitute a financial promotion, investment advice or an inducement or incitement to participate in any produce, offering or investment. Any offer to purchase or buy securities or other financial instruments will only be made pursuant to an offering document and the subscription documents, which will be furnished to qualified investors on a confidential basis at their request for their consideration in connection with any such offering. Any investment decision in connection with the Funds should be based on the information contained in the private placement memorandum.

Certain information contained in this Report has been obtained from third-party sources. While such information is believed to be reliable for the purposes used herein, Permira has not independently verified such information and Permira makes no representation or warranty, express or implied, as to the accuracy or completeness of the information contained herein. Certain economic and market conditions contained herein has been obtained from published sources and/or prepared by third-parties and in certain cases has not been updated through the date hereof. All information contained herein is subject to revision and the information set forth herein does not purport to be complete.

Certain information contained in this Report constitutes “forward-looking statements” that can be identified by the use of forward-looking terminology such as “may,” “will,” “should,” “expect,” “anticipate,” “target,” “project,” “estimate,” “intend,” “continue,” or “believe” or the negatives thereof or other variations thereon or comparable terminology. Due to various risks and uncertainties, actual events or results or the actual performance of any Permira investment may differ materially from those reflected or contemplated in such forward-looking statements.

Unless otherwise noted, the information contained herein has been compiled as of 20 September 2022, and there is no obligation to update the information. The delivery of this Report will under no circumstances create any implication that the information herein has been updated or corrected as of any time subsequent to the date of publication or, as the case may be, the date as of which such information is stated.

Certain statements contained herein reflect the subjective views and opinions of Permira. Such statements cannot be independently verified and are subject to change.

There can be no assurance any such value creation will ultimately be achieved as planned.

Prospective investors should also bear in mind that past or targeted investment characteristics may not be indicative of future investment characteristics and there can be no assurance that the Fund will have comparable investment characteristics or that target investment characteristics will be achieved. There can be no assurance that a Fund's investment objectives will be achieved and investment results may vary substantially over time. Investment in a Fund is not intended to be a complete investment program for any investor.

It should not be assumed that any sustainability or ESG principles, initiatives, standards, or metrics described in this Report will apply to each asset in which the Funds invest or that they have applied to each of the Funds' prior investments. Sustainability or ESG is only one of many considerations that Permira takes into account when making investment decisions and managing assets, and other considerations can be expected in certain circumstances to outweigh sustainability considerations. The information provided herein with respect to sustainability and ESG is intended solely to provide an indication of the sustainability and ESG principles, initiatives and standards that Permira applies when seeking to evaluate and/or improve the sustainability characteristics of an asset as part of the larger goal of maximizing financial returns on investments. Accordingly, certain investments and strategies may exhibit characteristics that are inconsistent with the principles, initiatives, standards, or metrics described herein.
